1st Annual PIDCI Invitational Golf Tournament

Tournament Play Format

The PIDCI Invitational Golf Tournament is a one day Stroke Play competition where each player plays their own ball and records the number of strokes taken on each hole as per USGA rule.

Individual Competition

For individual competition, all scores will be based on the Lowest Net Score. The one who scored the Lowest Net will be declared the Tournament Champion.

On the other hand, the player with the lowest net score in each group will be declared Group/Class Champion.

Individual Groupings

All participants will be grouped by class according to their handicap.

Class A – 0 to 15

Class B – 16 to 25

Class C – 26 and Above

Team Competition

A group should field in at least foursome (4 players) to qualify for the team competition. If they exceed more than 4 players, only the best 4 net scores will be counted. To compute the net scores, 80% of the adjusted course handicap will be used & the team with the 4 lowest net scores will be declared Team Champion.

Handicaps

All handicaps shall be verified by the tournament host official prior to the games. All handicap index will be based as of May 8, 2009. For those player who have no verifiable handicap index, they can use their club handicap certified by their President or Club head.
